Cal/EPA Headquarters Building, 1001 "I" Street  
Sierra Hearing Room, 2<sup>nd</sup> Floor  
Sacramento, California 95814

### A G E N D A

This Agenda is to provide notice that the Site Designation Committee will be considering applications at a public meeting (on the above date) submitted pursuant to Health and Safety Code sections 25260 through 25268. If you need further information, please go to:

Website <http://calepa.ca.gov/Programs/SiteDesign/>

or contact Laurie Grouard at (916) 323-3394

Notice: Testimony will be taken from those who identify themselves as wishing to speak at the beginning of the proceedings. Speakers for each item will be called in the following order: Applicant, Proposed Administering Agency, Representatives of Organizations, Governmental agencies; and other interested parties. Please note that there may be time limits placed upon testimony according to the number of parties who wish to participate. When submitting written comments, please provide 10 two-sided copies.

1. Consideration of an Administering Agency and creation of an Advisory Team (if requested) for the Stanford Linear Accelerator Center located at 2575 Sand Hill Road, Menlo Park (to include Assessor Parcel Numbers: 074-480-08, 074-480-15, 074-480-20, 074-480-23, 074-480-24, 074-480-26, 074-480-27, and 074-480-28), San Mateo County, California (the Site). The Site is approximately 426 acres and is used as a high-energy physics and synchrotron research facility. The applicant, the United States Department of Energy, has requested that the San Francisco Regional Water Quality Control Board be designated as the Administering Agency.
2. Discussion and action on proposed changes to the "Implementation Guide" that provides information concerning the Site Designation Committee and the application and designation processes.
3. Information Item: Southern California Edison, Long Beach II, as designated in Resolution 92-25, has been removed from the Expedited Remedial Action Program/Site Designation process for not meeting the terms of its signed agreement with the Department of Toxic Substances Control.
4. Discussion/proposed changes to the Site Designation Tracking document.
5. Open Discussion.

## **SITE DESIGNATION COMMITTEE**

California Environmental Protection Agency  
Cal/EPA Headquarters Building  
1001 I Street, 2nd Floor, Sierra Hearing Room  
Sacramento, California 95814

January 26, 2006  
1:30 p.m.

Because there has been public interest in activities at these sites, and the Committee wishes to hear relevant information without unnecessary delay from all parties who desire to speak, the Committee will conduct this proceeding in the following manner:

The Committee will hear testimony only from those who identify themselves as wanting to speak at the beginning of the proceeding. Testimony may be restricted to the following time limits according to the number of parties who wish to testify. Testimony will be heard from parties in the following

1. The applicant (maximum of 20 minutes)
2. Proposed Administering Agency (maximum of 20 minutes)
3. Representatives of organizations  
(maximum of 20 minutes each)
4. Governmental agencies  
(maximum of 10 minutes each)
5. Individual (maximum of 5 minutes each)

The Committee will also consider any written comments that are received prior to the hearing date. The Committee may modify these limits if conditions warrant.
